

## NATIONAL AREA DIRECTOR LIASION REPORT

National Area Directors have reported strong communication, event participation and leadership support from many of their chapters including but not limited to chapters 1, 3, 13,15,16, and 28,

Chapters #1, 2, 6, 8, 25, 33, 36 are committed to intentional growth and firmly support DMA's initiatives, including strategies for boosting membership. Their members are hard workers and well organized.

Chapter 5, 6, 17, and 35 have great involvement at chapter level that is remarkable and reflects strong pride in their DMA Heritage.

Chapter #48 our newest and most enthusiastic chapter. In just their second year as a chapter, they held two successful events. They will be attending Nationals this year with 6 title holders.

Communications, updates and reports are submitted in a timely matter from Chapters 18, 34, 37, and 38.

Many chapters have held successful events and have active board membership. Their priorities include considering succession planning and information sharing amongst roles to ensure overall health of their leadership. These chapters include 4, 5, 10, 13, and 46.

Overall most of our chapters had a great year with great collaboration and energized by what they are doing. They are receptive to suggestions, well established and showcase impressive talent. Our chapters show great hospitality and strong commitment to national participation.
