STUDENT HONORS INTENSIVE PROGRAM**
North Carolina 2022

Deadline to register has been extended to June 10, 2022.

**ONE OF THE BEST PROGRAMS FOR YOUNG
DANCERS IN THE COUNTRY**

Dance Masters of America Student Honors Intensive Program
is an EXCELLENT program for the serious, young dancer.

Dance Masters of America saw a need for a special program, for the serious dancer, to extend their dance training and introduce them to the many avenues in dance. With these ideals and goals, the S.H.I.P. program was developed and has grown tremendously.

S.H.I.P. is

- An educational journey for young emerging dancers ages 13-18.
- A voyage through the classroom, that challenges the dancers technical and artistic expression.
- The pathway to the stage and nurtures the development of resourceful artists of the future.
- Consists of daily Master Classes in many genres of dance.
- During the week students will learn short pieces of choreography showcasing them in several dance forms. This opportunity gives the students a further chance to observe choreographers' work in different forms, which will produce a showcase at the end of the week.

Mission Statement

To provide a comprehensive curriculum, an outstanding faculty, and unique focus on technique for the nurturing of camaraderie among serious students.
