

Bernardene (Miss Bernie) Van Epps has been teaching since she was 18 and is still teaching today. She has a BA in dance and an AA in theater which has brought her to her day job teaching dance and theater to special needs adults at the Cobblestone Arts Center in Farmington, NY. She teaches her dance students at Cobblestone during the Fall and Spring sessions.

This will be Miss Bernie's 4th year teaching Preschool dance for TTS. She has written a syllabus for her preschool students and will be sharing her work with all the TTS teachers.
